

## EGHHS General Remote Schedule (2020-2021)

EGHHS students will continue to earn credit using our 300 point system. Points are earned through classroom primarily through classroom assignments, projects, and assessments.

**Monday-Thursday:** Content instruction and activities will be delivered using Google Classroom, following an A/B day schedule, Monday-Thursday. The information will be “delivered” by 8 am on the scheduled day. Additionally content materials will be supported through Zoom meetings as scheduled, and corresponding to the A/B schedule.

Although class Zoom meetings are not required, points may be earned during Zoom meeting activities such as focused discussions and interactive learning activities.

**Fridays:** Fridays are set aside for student interventions, class meetings, personal growth and High School and Beyond activities.
