RUNNING START
Earn College Credit in High School!

Attention Juniors and Seniors!!! There will be a representative from a local college presenting information on the running start program for students and parents on MONDAY, MARCH 19 at 5:30 PM in the Elma HS library. Running Start is a program created by the State of Washington, which provides an opportunity for high school juniors and seniors, who test at college level, to enroll in college classes. The college classes count twice, once towards high school graduation requirements and again for college credits. Tuition is free but books, other fees and transportation are the responsibility of the student. Fee waivers may be available. Please see the counselors for more information.

Thought to Ponder!
